

***New Thinking About
What We're Eating:***

***FRESH!
The Movie
Feb 2nd, 7pm***

Food is a central part of our social, cultural and even spiritual lives! It's the "elephant in the room" in our health care debate, it's integral to many of our ecological concerns, and it's the most basic sign of inequality among the various peoples of the world. Join us for this movie and conversation on FOOD and the challenge of creating a healthy joyful, and sustainable food system.
